legislative districts**

Proposed Constitutional Amendment

Proposed by Joint Resolution of the General Assembly

**To enact new Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 of
Article XI and to repeal Sections 1, 2, 3, 4, 5, 6, 7, 8, 9,
10, 11, 12, 13, 14, and 15 of Article XI of the
Constitution of the State of Ohio.**

A majority yes vote is necessary for the amendment to
pass.

The proposed amendment would:

- End the partisan process for drawing Ohio House and Senate districts, and replace it with a bipartisan process with the goal of having district boundaries that are more compact and politically competitive.
- Ensure a transparent process by requiring public meetings, public display of maps, and a public letter explaining any plan the Commission adopts by a simple majority vote.
- Establish the bipartisan Ohio Redistricting Commission, composed of 7 members including the Governor, the Auditor of State, the Secretary of State, and 4 members appointed by the majority and minority leaders of the General Assembly.
- Require a bipartisan majority vote of 4 members in order to adopt any final district plan, and prevent deadlock by limiting the length of time any plan adopted without bipartisan support is effective.

If passed, the amendment will become effective immediately.

Anti-monopoly amendment; protects the initiative process from being used for personal economic benefit

Proposed Constitutional Amendment

Proposed by Joint Resolution of the General Assembly

Proposing to amend Section 1e of Article II of the Constitution of the State of Ohio.

A majority yes vote is necessary for the amendment to pass.

The proposed amendment would:

- Prohibit any petitioner from using the Ohio Constitution to grant a monopoly, oligopoly, or cartel for their exclusive financial benefit or to establish a preferential tax status.
- Prohibit any petitioner from using the Ohio Constitution to grant a commercial interest, right, or license that is not available to similarly situated persons or nonpublic entities.
- Require the bipartisan Ohio Ballot Board to determine if a proposed constitutional amendment violates the prohibitions above, and if it does, present two separate ballot questions to voters. Both ballot questions must receive a majority yes vote before the proposed amendment could take effect.

Issue Three

Grants a monopoly for the commercial production and sale of marijuana for recreational and medicinal purposes

Proposed Constitutional Amendment

Proposed by Initiative Petition

To add Section 12 of Article XV of the Constitution of the State of Ohio.

A majority yes vote is necessary for the amendment to pass.

The proposed amendment would:

- Endow exclusive rights for commercial marijuana growth, cultivation, and extraction to self-designated landowners who own ten predetermined parcels of land in Butler, Clermont, Franklin, Hamilton, Licking, Lorain, Lucas, Delaware, Stark, and Summit Counties. One additional growth facility may be allowed for in four years only if existing facilities cannot meet consumer demand.
- Permit retail sale of recreational marijuana at approximately 1,100 locations statewide. Such retail establishments must have a state license that may be obtained only if the electors of the precinct where the store will be located approve the use of the location for such purpose at a local option election.
- Legalize the production of marijuana-infused products, including edible products, concentrates, sprays, ointments and tinctures by marijuana product manufacturing facilities.
- Allow each person, 21 years of age or older, to grow, cultivate, use, possess, and share up to eight ounces of usable homegrown marijuana plus four flowering marijuana plants if the person holds a valid state license. Allow each person, 21 years of age or older, to purchase, possess, transport, use, and share up to 1 ounce of marijuana for recreational use. Authorize the use of medical marijuana by any person, regardless of age, who has a certification for a debilitating medical condition.
- Prohibit marijuana establishments within 1,000 feet of a house of worship, public library, public or chartered elementary or secondary school, state-licensed day-care center, or public playground, however: after a certain date, a new day-care, library, etc., cannot force a preexisting marijuana establishment to relocate by opening a new location within 1,000 feet of the business.
- Prohibit any local or state law, including zoning laws, from being applied to prohibit the development or operation of marijuana growth, cultivation, and extraction facilities, retail marijuana stores, and medical marijuana dispensaries unless the area is zoned exclusively residential as of January 1, 2015 or as of the date that an application for a license is first filed for a marijuana establishment.
- Create a special tax rate limited to 15% on gross revenue of each marijuana growth, cultivation, and extraction facility and marijuana product manufacturing facility and a special tax rate limited to 5% on gross revenue of each retail marijuana store. Revenues from the tax go to a municipal and township government fund, a strong county fund, and the marijuana control commission fund.
- Create a marijuana incubator in Cuyahoga County to promote growth and development of the marijuana industry and locate marijuana testing facilities near colleges and universities in Athens, Cuyahoga, Lorain, Mahoning, Scioto and Wood Counties, at a minimum.
- Limit the ability of the legislature and local governments from regulating the manufacture, sales, distribution and use of marijuana and marijuana products. Create a new state government agency called the marijuana control commission (with limited authority) to regulate the industry, comprised of seven Ohio residents appointed by the Governor, including a physician, a law enforcement officer, an administrative law attorney, a patient advocate, a resident experienced in owning, developing, managing and operating businesses, a resident with experience in the legal marijuana industry, and a member of the public.
